Brian Gross
Visual Storytelling Leader

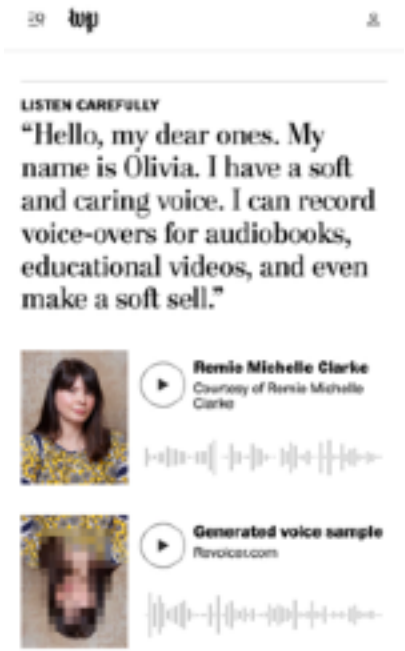

CASE STUDY

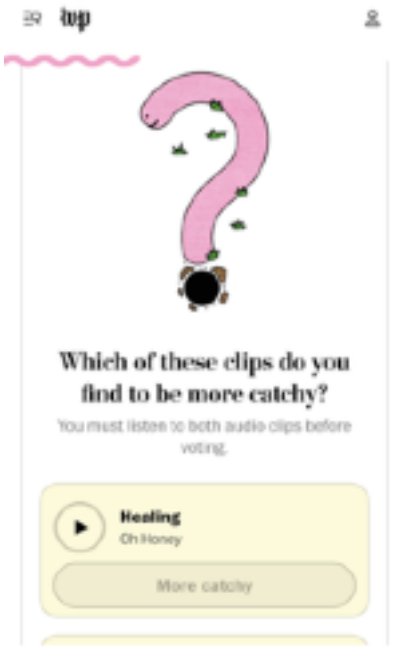

October 2026

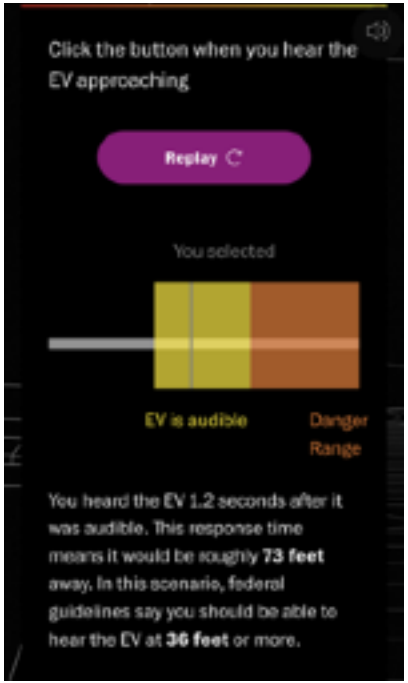

briandgross.com

Goals: Scroll/snap to integrate text with visuals, tailored for mobile
Wins: Early analysis and testing, requires reporter buy-in on alt format

Brian Gross
Visual Storytelling Leader

AI voices: Inviting readers to compare and interact (repeated for campaign)

Earworms: Letting readers play music and interact to increase understanding

EV sounds: Allowing readers to listen and perform a test with visual results
